Office of the City Mayor

Isabela City Hall Complex, Sunrise Village, Isabela City, Basilan, Philippines

EXECUTIVE ORDER NO. 012

SERIES OF 2021 *for*

**AN ORDER DECLARING AND IMPOSING ENHANCED COMMUNITY
QUARANTINE IN A DESIGNATED BLOCK IN PUROK BLISS OF BARANGAY LANOTE,
ISABELA CITY, BASILAN**

WHEREAS, the City of Isabela, Basilan is currently under Modified General Community Quarantine pursuant to the classification and declaration of the National Inter-agency Task Force for Emerging Infectious Disease;

WHEREAS, there is an increase number of the confirmed COVID-19 case, including probable and suspected cases in certain several areas in Barangay Lanote;

WHEREAS, the sudden rise in COVID-19 cases in Barangay Lanote is very alarming. With the growing number of confirmed COVID-19 Cases, together with the increasing number of suspected and probable cases of COVID-19, the City Government may put some areas under the lockdown or enhanced Community Quarantine (ECQ) for a certain period;

WHEREAS, Article II, Section 15 of the Constitution provides that the state shall protect and promote the right to health of the people and instill health consciousness among them;

WHEREAS, Section 16 of Republic Act 7160, otherwise known as the Local Government of Code of 1991, provides that within their respective territorial jurisdictions, local government units shall, among others, promote health and safety, maintain peace and order, and preserve the comfort and convenience of their inhabitants;

NOW, THEREFORE, I, SITTI DJALIA T. HATAMAN, City Mayor of Isabela, by virtue of the powers vested in me by law, do hereby order as follows:

**ARTICLE 1
RATIONALE AND PRINCIPLES**

Section 1. ***Rationale and Guiding Principles*** -The declaration of community quarantine is guided by the following rationale and principles:

- a. There is a lesser probability of corona virus infection if there is a lesser person to person interaction especially in public places.
- b. Some persons who are unknowingly carriers or Corona Virus are asymptomatic. Hence, a preventive measure of restricting people's movement will decrease the chance of other people getting infected with the virus.
- c. The profiles of the recent confirmed COVID-19 patients indicate that others who have been infected were due to interaction or having close contacts with other infected individuals.
